

April 2022

To Customers of the *Alaska Administrative Code*:

It is with regret that we must inform you your shipment of the *April Register (Register 241)* of the *Alaska Administrative Code* will be delayed. For the past few months, we have been in the process of transferring production of the AAC from an out-of-date publishing system to a more modern one. We had planned that the data transfer would be complete by the time the *April Register* was ready to be produced. Unfortunately, the transfer did not go as smoothly as planned, and it has taken some time to remedy the issues that occurred.

We are aware that timely receipt of the quarterly register is important to you, and we apologize for the inconvenience this may cause. We are working hard to get the register to you as soon as we can. As of this writing, we are unable to provide you with an estimated date for shipment of the completed register. Our Customer Service team will provide updates as soon as we know.

You can access our Customer Service team by using your self-service portal, available 24/7 at support.lexisnexis.com/print, or call (800) 833-9844. You may also visit their website at www.lexisnexis.com/printcdsc.

We appreciate your patience.

Sincerely,
LexisNexis® Print & Digital Solutions
